

POST FALLS URBAN RENEWAL AGENCY

Reimbursement from Tax Increment

Subject: Increment Reimbursement Order

Effective Date: February 1, 2022

Issued by: Finance Committee

Purpose: To establish the priority of application of Tax Increment Funds received for each Urban Renewal District.

Policy: Reimbursement from Tax Increment

Background: Tax Increment received by the Agency for each of the Urban Renewal Districts is disbursed in February and August each year for project cost reimbursement. On Agency projects, or on Agency/City joint projects, Tax Increment is disbursed on a monthly basis to reimburse monthly project expenses.

POLICY:

A statement shall be prepared and provided to the proponent of each District showing the funds received, the allocation of payments and the amounts paid to each of the allocated items, as approved by the Agency. Tax increment funds received for each of the Urban Renewal Districts shall be applied in the following priority:

- A. Current principal and interest payments on any borrowings or other debt of the Agency related to the specific Urban Renewal District (the term "current" includes all principal and interest payments that shall, in the sole discretion of the Agency become due and payable on or prior to the projected date on which the next subsequent tax increment payment shall be available).
- B. The annual Administrative Fee for each specific Urban Renewal District will be deducted from the August reimbursement and applied to the General Fund to cover expenses for the following Fiscal Year. The Administrative fee will be determined during the budget process.
- C. Additional excess legal charges, if any, will be deducted pursuant to Policy #16.
- D. For those Urban Renewal Districts that have Agency debt outstanding, payments deemed necessary by the Agency to establish a "Debt Service Reserve Account" equal to at least one-year's payment of principal and interest, or that amount otherwise determined by a lender. The Agency may, in its sole discretion, elect to fund the Debt Service Reserve Account over a specific period of time, thereby allowing portions of initial installments of Tax Increment Funds to be paid for lower priority items.

- E. Reimburse the Proponent for funds advanced for the Agency's Plan Fee when creating a new District, if applicable.
- F. For the reimbursement of other proponents in the District that have orders of approval that predate the order of approval authorizing the Proponent's reimbursement, or in the case of City funded improvements that the Agency has received invoices for before issuance of the Participant's order of approval.
- G. The balance of Tax Increment shall be used to reimburse the Proponent for direct development costs associated with approved improvements within the Urban Renewal District. Such costs shall be approved by the Agency based on its review and acceptance of proper documentation for such expenses.

Prior Policy Reference: Priority of Application of Tax Increment Funds Received for each Urban Renewal District, adopted April 21, 2005, was rescinded on June 18, 2015. Policy #08 (Timing for Payment of Tax Increment) was rescinded and combined into this Policy on that same date.
